Sleep Workshop

Friday 30th August 10am-12.30pm

Our sleep workshops aim to support you to make positive changes to your child's sleep patterns. They are delivered by trained professionals with an aim to develop your understanding of sleep and learn about practical strategies to implement at home. This workshop can provide you with the opportunity to meet other families in similar situations and to gain tips on how to support a better night's sleep for you and your child

For all courses booking is essential

Autism Masterclass

Monday 16th September 6.30-8.30pm

Autism is widely recognized in society with approx 1 in 100 people experiencing the condition. Benefit from our trainers decades of experience in this field and find out how unique and intriguing autism can be, as there is always something new to learn. Training includes personal accounts, discussion of associated issues and practical strategies that can help to promote a spectrum wide, positive focus on autism.

Oh Behave!

Monday 28th October 6.30-8.30pm

Dealing with children and young people with additional support needs, often requires a more 'out of the box' way of thinking? This workshop will cover basic behaviour analysis, using SensationALL's uniquely devised ICEAS concept and introduce the importance of developing PROactive & REactive strategies for promoting positive behaviour in your child's every day experiences.

Practical Strategies - Parent Workshop

Monday 25th November 6.30-8.30pm

As part of SensationALL's new comPASS (ProActive Support Solutions) This workshop will accommodate for a small group of parents to discuss common home life challenges and various practical strategies. The aim will be to tailor some of these strategies to each family situation, resulting in a take away plan or actual resource like a visual support, emotional education ideas, behaviour or sensory plan

Prices - £15 for parents/carers and £30 for professionals

* PAMIS £95 plus booking fee
