

On the **first** day of **Christmas** SensationALL gave to me..

Gift ideas

We're here to make the lives of parents/carers easier and take the hard work out of gift buying this year!

Here's our ideas for gifts for all abilities and communication levels as we know how difficult it can be to buy items to suit sensory issues, special interests or communication difficulties.

Click on items that are underlined to see more.

Active play toys

These items encourage active calming through physical movement:

[Scooterboard](#) (or moving dolly)
[Peanut or therapy ball](#),
[Balance ball](#)/trampette
[Yoga spinner game](#)
[Gym mat \(for rolling up and being squashed in\)](#).

Learning & Communication

Toys that promote motor-skills and teach cause and effect:

[Coloured mats](#)
[Foam building blocks](#)
Stacking cups
[Push & go toys](#)
Marble runs
Large skittles
[Flying spinners](#)
Musical instruments
Lego/construction bricks

Sensory Items

Sensory play is essential for brain development, these items offer a variety of sensory experiences:

[Lycra socks/sheets](#)
[large beanbag](#) or chairs
Waterbeads
[Pop-up tent](#)
Bubble machine (switch controller option)
[Spinning toys](#) or gyro
[Infinity loops](#), [fidget toys/cubes](#)
[Indoor swing](#), [helicopter chair](#) or hammock
Weighted cuddly toys or [squishies](#)
[LED colour changing lights](#), portable or wall mirrors.

Games

These games are perfect for teaching youngsters to share and take turns:

[Connect 4](#)
ping-pong
[Logo on your marks](#)
[floor puzzles](#)

Shopping on **Amazon**? Please use [Amazon Smile](#) and nominate SensationALL as your charity so we receive a donation everytime you make a purchase. **Thank you!**
