

# On the **nineteenth day of Christmas** **SensationALL gave to me\_**

## *Acts of Kindness Game*

### **What you need:**

Print the cube template on the next page  
Scissors  
Pencil or pen  
Colouring pencils or crayons  
A glue stick

### **How to make your cube:**

Write an **Act of Kindness** (something nice you can do for yourself or someone else) in each square on the cube template.

Here are some of our Acts of Kindness:

- Compliment someone
- Give someone a hug
- Help with a chore
- Open the door for someone
- Smile at someone
- Feed your pet
- Write a kind note to someone

Decorate the squares with some colour or drawings if you like.

When each square is finished, carefully cut it out.

Then fold along the lines into cube shape, use a glue stick on the edges.

### **Play the game!**

The cube is your dice - roll it to see which act of kindness you get to do for each person in your house.

Write on each square - decorate and colour too  
Cut along the edges carefully and fold into a cube shape
