

Setting up your SensationALL fundraising page on JustGiving

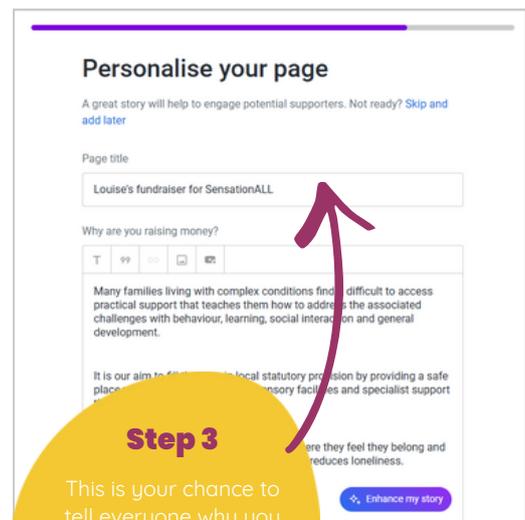

Visit event/campaign page related to your event on JustGiving. This has been set up by SensationALL and is usually shared with you by one of our team. It can also be found using the search function on JustGiving.

Step 1
Click the 'start fundraising' button to create your own page

Step 2
Fill in the details of your event and set your fundraising target

Step 3
This is your chance to tell everyone why you are supporting SensationALL and add in any photos.

If you have any questions about setting up your page, drop us a note at events@sensationall.org.uk. We're here to help!
