

sensation **ALL**

Friday 11th September

7pm at The Chester Hotel, Aberdeen

The pinnacle of our fundraising calendar, our dinner dance's **Masked** theme has been specially chosen to shine a light on how common '**masking**' is amongst neurodivergent people.

Masking has a detrimental impact on mental health and self-worth as people feel unable to show their true selves in public because of societal judgement.

SensationALL's social groups and activities are safe spaces where people with additional needs can make friends, build confidence and feel like they belong.

Welcome drinks reception
Three course meal
Live music and dancing until late

Auction & Fundraising games

Tables of 10 £1,000
(Individual tickets £100 per person)
