

Corporate Volunteering

Come and join us on-site in Westhill for a hands-on day supporting us with jobs around our facility!

You can expect to get involved in things like gardening, painting and cleaning - jobs that our small team simply don't have time to do on our own or the finances to hire a professional.

Your experience

Our corporate groups are invited to join us mid-week between 9am and 2.30pm. We will work with you to find a time where our facility isn't in use and that suits your needs. Generally, Fridays are the best!

What to expect

Our Volunteer Coordinator will be in touch with you to discuss the exact requirements for your group, but groups should generally come prepared to do physical jobs and should wear comfortable, old clothes and shoes. Many of our jobs go ahead whatever the weather, so come prepared for the forecast!

We'll make sure that the kettle is on and you have access to tea and coffee throughout your volunteering, however if volunteering over lunch time we recommend you make arrangements for lunch. We are fortunate to be very close to lots of shops to pick up supplies.

Your contribution

In order to complete some of our jobs onsite, we may ask you to make a contribution towards materials and resources. This will be in discussion with our Volunteer Coordinator.
