

Skilled Volunteer

Role: Skilled volunteer
Location: Remote
Hours: Variable depending on the project
Reports to: Volunteer Coordinator/relevant team lead

What does a Skilled Volunteer do?

- Support the charity with their own professional skills.
- This could be anything from business operations to health professionals who can support our clinicians, to those who can help maintain our buildings.
- These roles are likely to be project-driven so your commitment can be for a short period or as an ongoing basis. We will work around your availability and project remit will be agreed before you begin your role.

Skills are we looking for:

- IT
- Marketing/PR
- Finance
- Health & Safety
- Human Resources
- Funding
- Project management
- Maintenance - joinery, decorating, gardening etc.
- Clinical expertise (e.g. occupational therapy, speech & language, additional needs teachers/professionals)

What will you get from volunteering?

- Develop your leadership skills
- Diversify your CV and experience of the third sector
- Professional fulfilment of using your skills to give back to the community
- Expand soft skills: communication, problem solving.
